Minquas Fire Co. No. 2 - EMS is an integral part of the Downingtown Fire Department that provides high-quality basic and advanced life support services responding to 2500+ calls for service each year. Our service model is MICU based, allowing us to provide the highest quality patient care available to those who seek our help. This is completed with state of the art equipment and vehicles as well as a progressive Medical Director. In return for your education and willingness to join our team, Minquas offers an extremely competitive salary, on site education, and a wide variety of shifts. These positions will be entry-level with the potential to advance to a full time when one becomes available. If you are an experienced provider looking to join a team that puts patients first, then Minquas EMS is the place for you. Additionally, if you are newly certified Paramedic we encourage you to apply as well.

Please submit your resume or CV and a list of your certifications to Employment@Minquas.org
