Dear Minquas Ambulance Club Member,

It's time to renew your Minquas Ambulance Club Subscription Program membership. As in previous years, the Minquas Ambulance Club Subscription Program purchase period for renewing memberships runs from January 1, 2023, through December 31, 2023. Please renew your membership to extend your coverage through December 2023.

How your Minquas EMS Subscription Benefits You!

- With a subscription, you will not be responsible for any fees charged by Minquas EMS for 911 services that are not covered by your insurance.
- Your payment today will ensure you are covered in an emergency for a full year. The 2023 Subscription Year is January 1, 2023-December 31, 2023

Each year Minquas EMS responds to more than 3500 emergency 911 calls helping when emergency medical services are needed by you and your family.

- a. Most users of the ambulance service never expect that they would need an ambulance
- b. Ambulance services are the safest and most immediate access to a hospital in an emergency.

Minquas employs close to 50 employees ranging from Full Time to Per Diem, staffing with at least 1 Paramedic on each ambulance that responds to a 911 emergency, being able to provide the highest level of 911 EMS care that the Commonwealth of Pennsylvania permits. With a progressive Medical Director our providers can provide care to the fullest scope of their practice.

If you sign up for a new membership after January 1, 2023, the fee will remain the same and only be active from date of enrollment through December 31, 2023. The cost of membership in the Minquas Ambulance Club Subscription Program is **\$60** for individual, **\$100** for family, **\$50** individual senior, and **\$65** for senior family.
